### Wipro Jobs For Freshers

#### Responsibilities:

- **Diagnose and resolve hardware and software issues:** Unraveling technical mysteries is your forte. You'll analyze user reports, identify root causes, and implement solutions – from OS installation to printer woes.
- **Provide end-user support:** Be the patient guide through tech thickets. You'll explain complex tech concepts in layman's terms, troubleshoot issues remotely, and offer on-site support with a smile.
- **Maintain and upgrade IT infrastructure:** Keeping our systems shipshape is key. You'll handle routine maintenance tasks, perform software updates, and implement hardware upgrades for optimal performance.
