Description

PwC Recruitment 2024

Are you a data-driven problem solver with a passion for uncovering insights that drive marketing success? Do you thrive in a collaborative environment where your ideas can shape the future of a global leader? If so, then a career as a Marketing Analyst at PwC could be the perfect fit for you.

PwC Jobs Near Me

PwC is a multinational professional services network of firms delivering world-class insights and solutions in Assurance, Tax, Advisory and Consulting services. We're a network of passionate professionals in 157 countries and territories who are united by a shared purpose to build trust and deliver sustained outcomes.

In this role, you'll play a pivotal role in supporting our marketing team by leveraging data analytics to develop and implement effective marketing strategies. You'll have the opportunity to work on a wide range of projects, from analyzing customer behavior to measuring the success of marketing campaigns. Your insights will be instrumental in helping us reach new audiences, drive brand awareness, and achieve our business goals.

Summary

We're seeking a highly motivated and analytical Marketing Analyst to join our

Hiring organization

PricewaterhouseCoopers

```

Key Responsibilities

- Conduct market research to identify trends, opportunities, and threats.
- Analyze marketing data from various sources, such as website traffic, social media engagement, and CRM systems.
- Develop and implement data collection plans and processes.
- Create data visualizations and reports to communicate insights to stakeholders.
- Track and measure the performance of marketing campaigns and recommend optimizations.
- Support the development and implementation of marketing strategies.
- Stay up-to-date on the latest marketing analytics trends and technologies.

Required Skills and Qualifications

- Bachelor's degree in Marketing, Business Analytics, or a related field (or equivalent experience).
- Strong analytical skills with experience in data analysis tools such as Excel, SQL, and marketing analytics platforms.
- Excellent communication and presentation skills.
- Ability to work independently and as part of a team.
- Problem-solving skills and a strong attention to detail.

Experience

- This role is open to both recent graduates and experienced professionals.
- For recent graduates, a strong academic background in marketing analytics and a demonstrable interest in the field is a plus.
- For experienced professionals, 2-3 years of experience in marketing analytics or a related field is preferred.
