Description

TCS Job Vacancy For Freshers

We are seeking a passionate and detail-oriented Maintenance Engineer to join our growing team. In this role, you will play a critical role in ensuring the smooth operation and uptime of our IT infrastructure, including servers, networks, and applications. You will be responsible for performing preventive maintenance tasks, troubleshooting technical issues, and resolving incidents efficiently.

TCS Careers

Responsibilities:

- Perform routine maintenance tasks on IT infrastructure, including servers, network devices, and software applications.
- Diagnose and troubleshoot technical problems reported by users or identified during monitoring activities.
- Resolve incidents efficiently and minimize downtime.
- Implement and maintain disaster recovery plans and procedures.
- Document maintenance activities and troubleshooting steps.
- Stay up-to-date on the latest IT technologies and best practices.
- Follow established safety and security protocols.
