Description

Whitehat Jr. Recruitment 2023

A Service Desk Agent, also known as a Service Desk Support Specialist, is responsible for providing technical assistance and support to end-users in an organization. They play a crucial role in resolving IT-related issues, answering inquiries, and ensuring a high level of customer satisfaction. Service Desk Agents are the initial point of contact for users seeking technical assistance and they provide support through various channels, such as phone, email, or chat.
