Description

SAIL Recruitment 2024

SAIL (Steel Authority of India Limited), a leading public sector enterprise in India, is seeking a qualified Medical Officer to join our team. In this role, you will play a vital role in ensuring the health and safety of our employees across various locations.

Why Join SAIL as a Medical Officer?

- **Make a positive impact:** Contribute to the well-being of a large and diverse workforce, promoting a healthy and safe work environment.
- **Professional development:** Stay at the forefront of your field with access to continuous learning opportunities and training programs.
- **Work-life balance:** Enjoy a competitive benefits package and a work schedule that allows for a healthy balance between your professional and personal life.
- **Be part of a legacy:** Contribute to the success of a well-established organization that plays a vital role in the nation's industrial development.

Job Summary

We are searching for a dedicated and experienced Medical Officer to provide comprehensive medical care to our employees. You will be responsible for conducting health assessments, diagnosing and treating common illnesses and injuries, and promoting preventive healthcare initiatives. This role offers the

SAIL Jobs Near Me

Key Responsibilities:

- Conduct comprehensive health assessments for employees, including physical examinations, medical history reviews, and screenings.
- Diagnose and treat a wide range of common illnesses and injuries.
- Provide first-aid and emergency medical care.
- Prescribe medications and treatment plans as per regulations.
- Order and interpret diagnostic tests as needed.
- Offer preventative healthcare education and counseling to employees, promoting healthy lifestyles and disease prevention.
- Maintain accurate and up-to-date medical records for all patients.
- Collaborate with other healthcare professionals to ensure continuity of care.
- Stay current with the latest medical advancements and best practices.
- Contribute to the development and implementation of health and safety programs within the organization.

Required Skills and Qualifications:

- MBBS degree from a recognized university.
- Valid medical license to practice in India.
- At least 2-3 years of experience working in a clinical setting (experience can be adjusted based on requirements).
- Strong clinical skills in diagnosis, treatment, and preventive healthcare.
- Excellent communication, interpersonal, and collaboration skills.
- Ability to work independently and as part of a team.
- Time management skills and the ability to prioritize tasks effectively.
- Strong work ethic and commitment to providing high-quality patient care.
- Proficiency in medical record keeping and documentation.
- Working knowledge of relevant health and safety regulations.

Experience:

This role is open to both experienced medical professionals and fresh graduates with a strong foundation in medicine. While experience is preferred, we are willing to consider highly motivated and qualified freshers for this opportunity.
